Raurie,

Well the year is further over. I'm glad but
sad to be going to miss you. You have been a good
friend. Thanks for everything you have done.
I had a great time when we went to the
Beach. The retreat was great. I am so glad
I went to meet really neat people and it helped
me not to care that much and to keep away
from you know who (Peter) well so I wish
to the Best Blue and may all your
dreams come true. I hope we will always
be friends and good. Love at Fullerton
and I will come to your first game. I
hope you have a great 2 years in High School
I know you will. You will probably read this
in about 5 years after you read this one
more but I hope will always remember
me. I love you so much and

I wish you **Like a Cloud, Every Dream**

Dreams

Day after day we find ourselves involved in illusions of our futures. Our lives would seem hollow without dreams to guide us to our destinations. Many students live their dreams through sports, activities, educations and hopes of profitable careers.

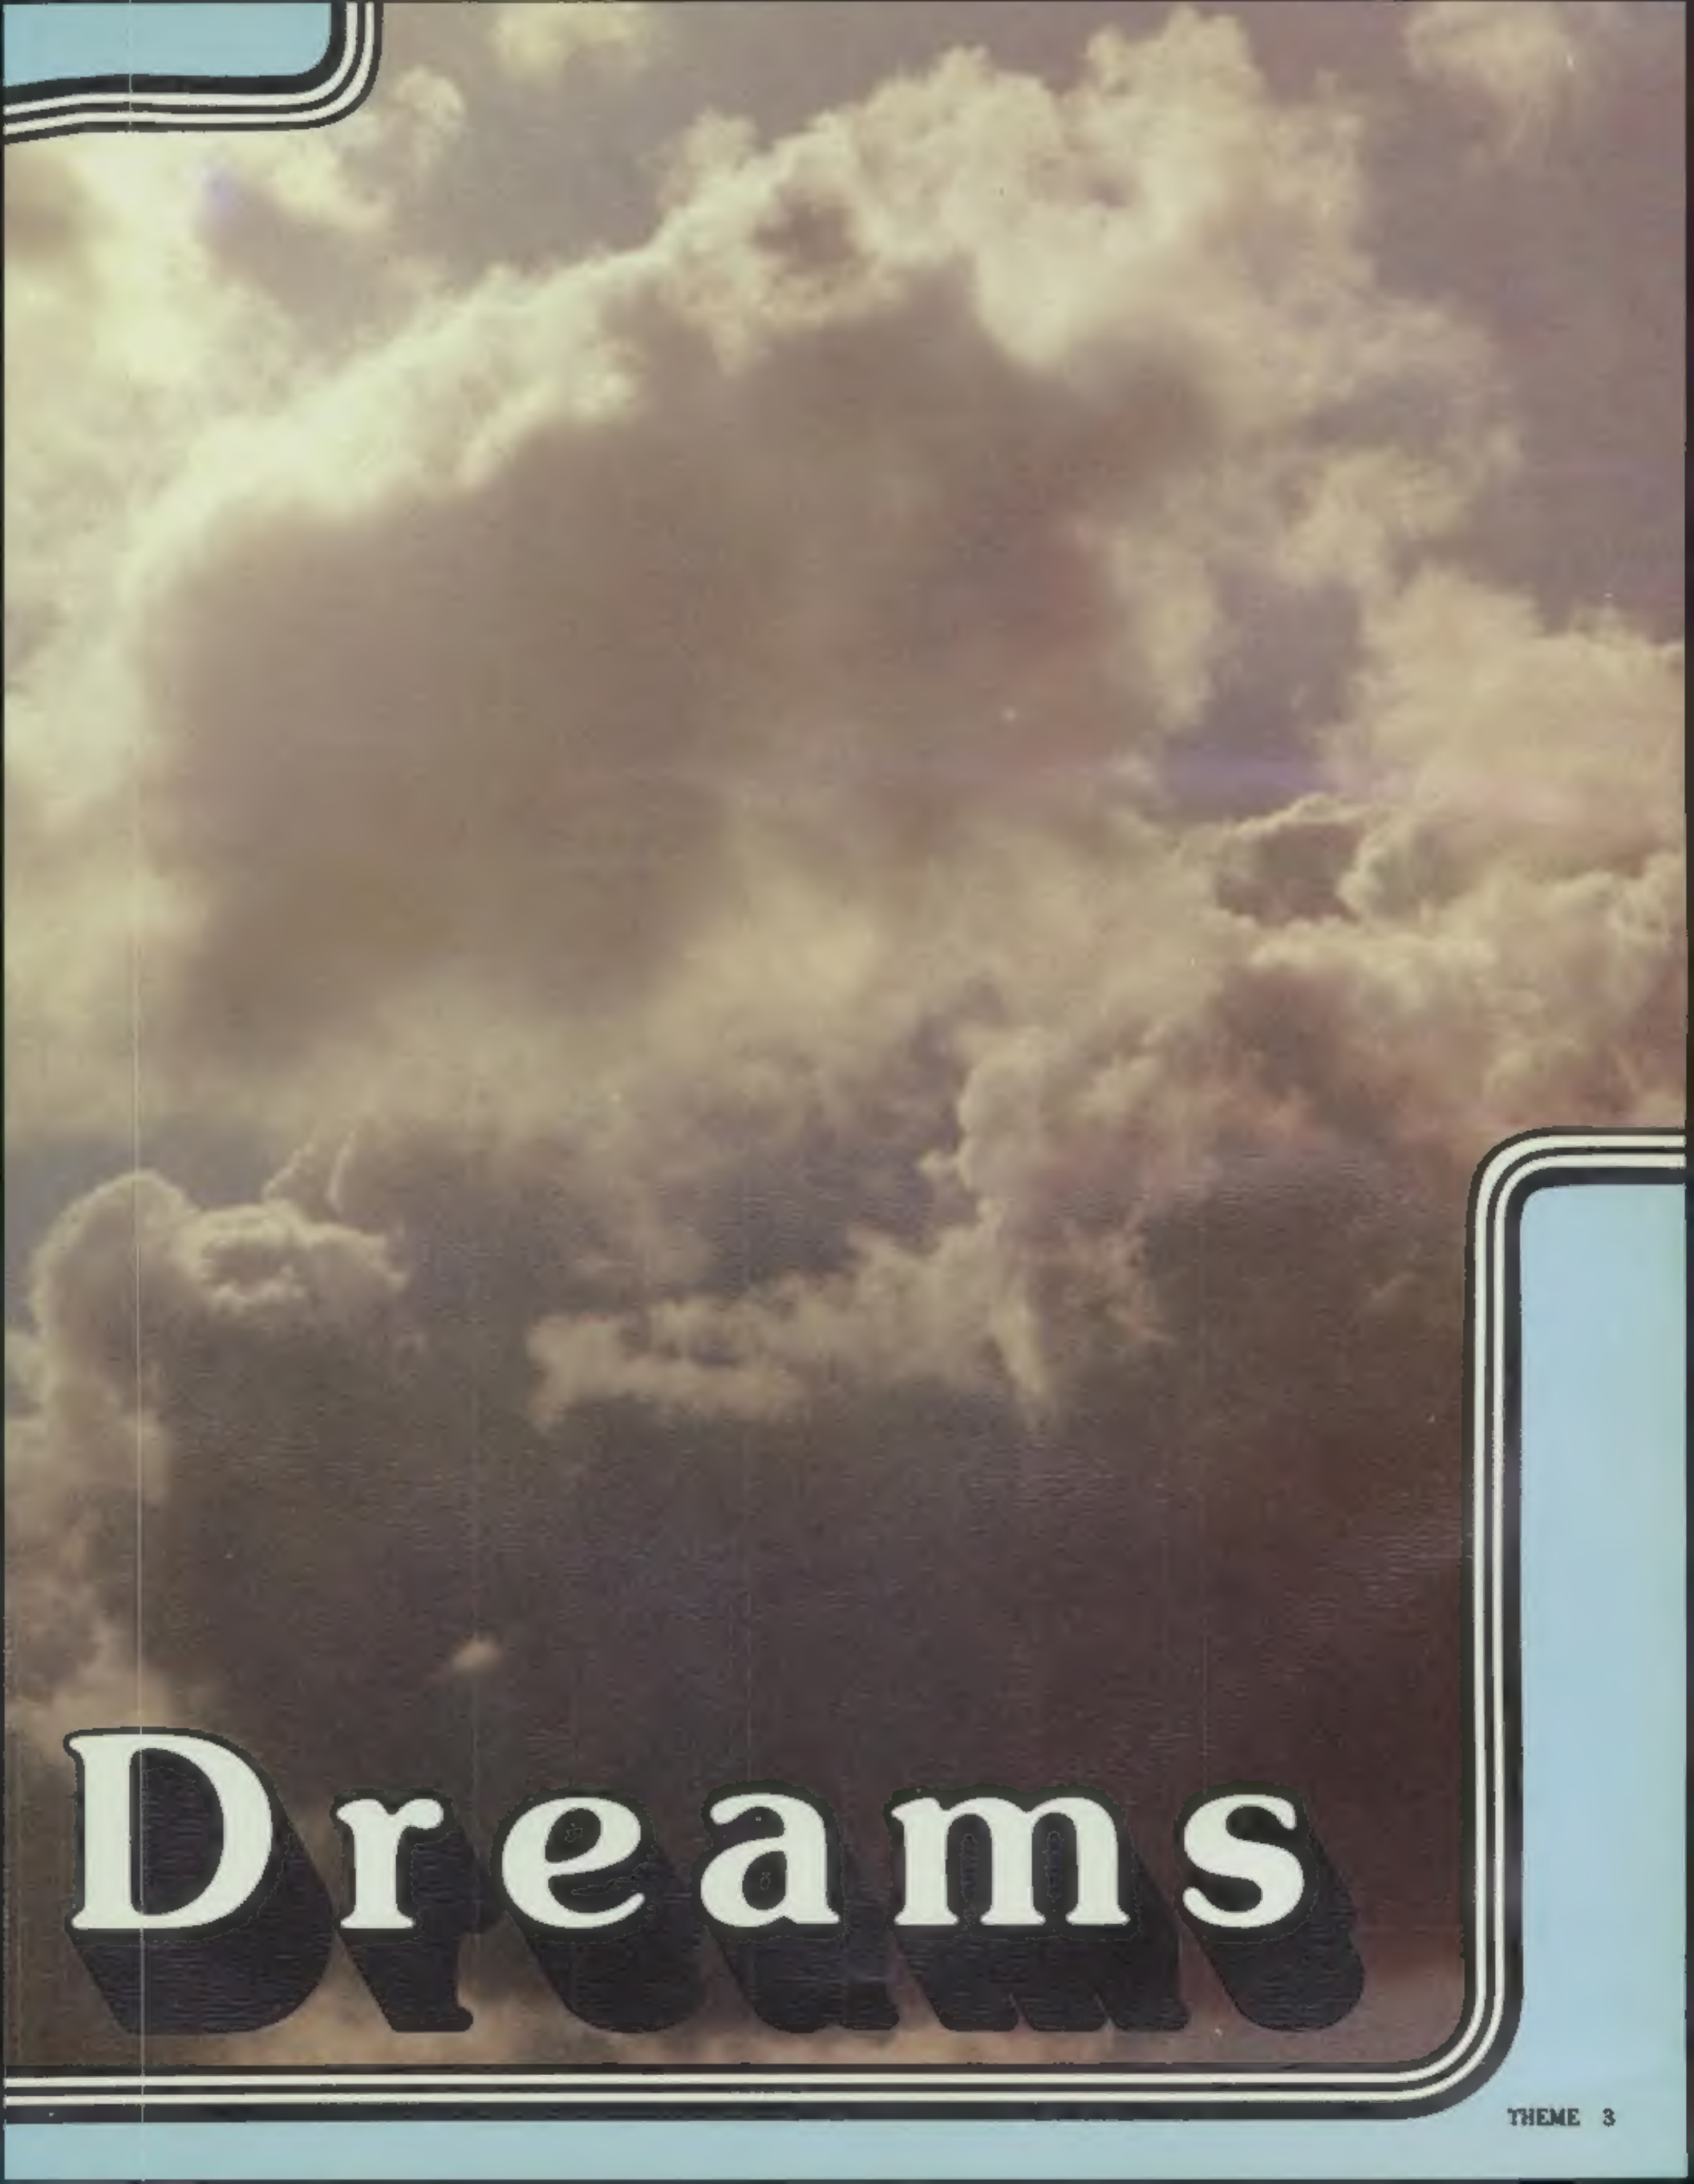

Working hard to attain these goals occupies our every second of attention and dedication. We hunger for success and strive to reach our goals in hopes of final self-satisfaction and true happiness.

Throughout our lives, times may not always be easy to get through but we've got to believe in our own power to succeed in our dreams and let nothing dissuade us . . .

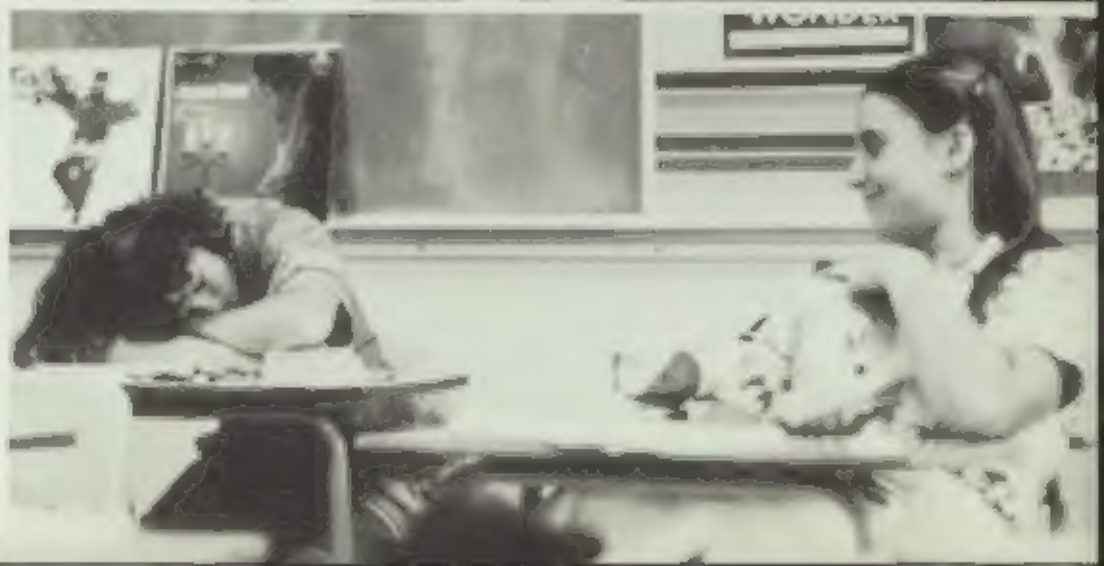

Hold fast to dreams,
for if dreams die,
life is a broken-winged bird
that cannot fly.

Hold fast to dreams,
for if dreams go,
life is a barren field
frozen with snow.

A Gathering of Images

Beneath the tension and disappointment of the start of another school year, the race for school spirit was off as Rosary's Annual Hello Week began. The festivities started with the touching moments of our first school mass. Following were four days of fun-filled activities. Between the awesome junior skit, and the newly introduced G.A.A. games, we didn't have room for much more. Exasperated from the past days of excitement we barely made it through the competitive dress-up day and the finale of the week . . . the joining of our new families.

Rosary Day

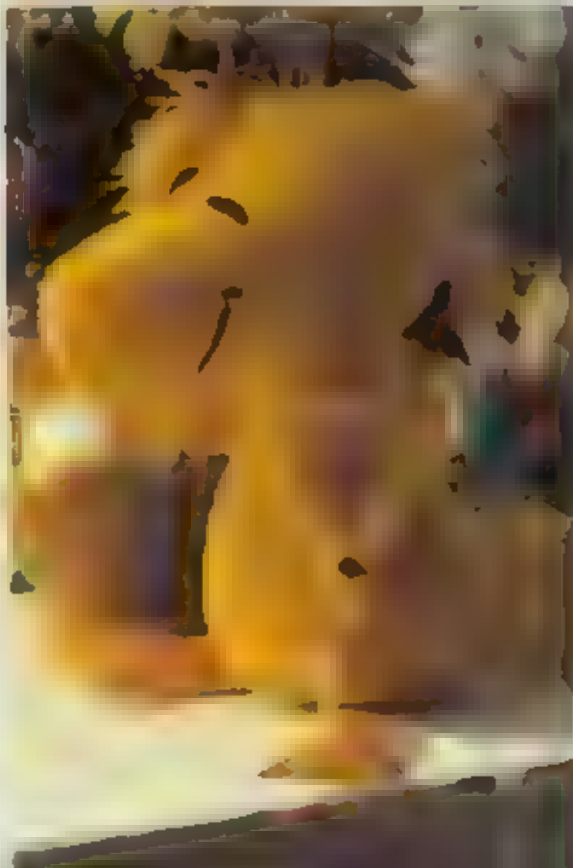

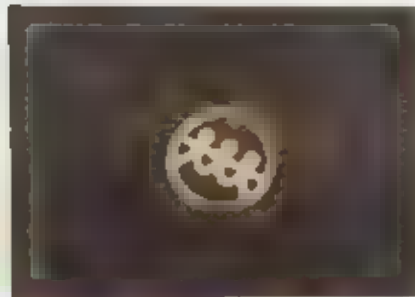

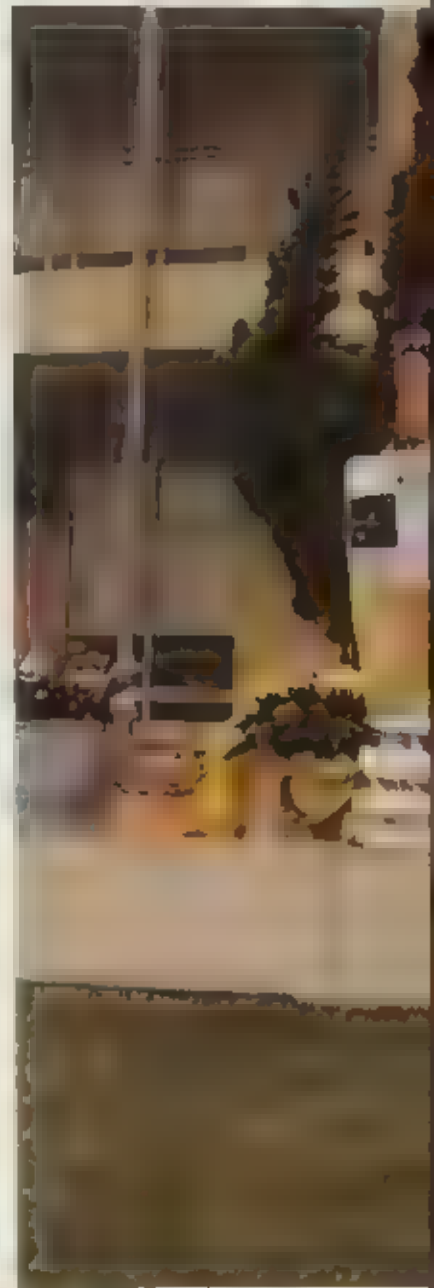

"Forever was never 'till now now I love you and you love me

we're anything brighter than even the sun (we're everything greater than books might mean)
we're every anything more than believe alive we're alive we're wonderful one times one"

R. E. Cummings

With all the dreams of one times one, finally the day came where these dreams became a reality. Rosary Day was not only a present coming true for the junior class, but was also a dream of a future for the freshmen, sophomores, and seniors. For the juniors it was a day of rejoicing not only for receiving a ring but for becoming a special part of this school. As for the freshmen and sophomores, there was excitement for the future. The seniors turned their rings to the future and through this action they will keep Rosary a part of their lives forever.

This special day was held on October 7, 1980. The ceremony began with a mass celebrated by Father Dale from St. Mary's. During the mass the rings were received and the turning of the senior rings took place. After the mass the annual balloon launch took place. The balloon that went the farthest was that of Molly Kay, a sophomore, it landed in Torrance. For the finish of a perfect day the student body as well as faculty kicked off their shoes and left to Hillcrest Park.

DREAMS..... Family

Ingredients for the Day

On October 5, 1980 it appeared to be a normal, everyday Sunday, but for the Rosary students and their families, it was a very special day. Family Day was not only a day of relaxation, but a day filled with love.

It all started with a mass followed by a picnic lunch and games for all. Family Day was a great idea for getting the people you love together and just having fun. It wasn't just another day in our lives but a dream come true.

MAKING

ROOM

'Making Room for Daddy' was exactly what workers at the Disneyland Hotel were doing on December 15, 1980. In expectations of Rosary's Father-Daughter Dinner-Dance, the the Grand Ballroom was being transformed into an elegant dining room and dance floor. With the music of Philly to serenade Daddy's little girl, the preparation for a wonderful evening seemed complete.

After dinner was served at 7:30, dancing was available until midnight for those who felt they weren't too full. Needless to say, the evening was a most successful gala event with Kathy and Mr. Hanna winning the evening's dance contest. Coming in 2nd place, Donna and Mr. Kent appeared to have enjoyed themselves, anyway. But the proudest of all was Mr. French after receiving the news that Anita's composition was chosen to be the winner of the Father of the Year contest. All in all, it was a great evening.

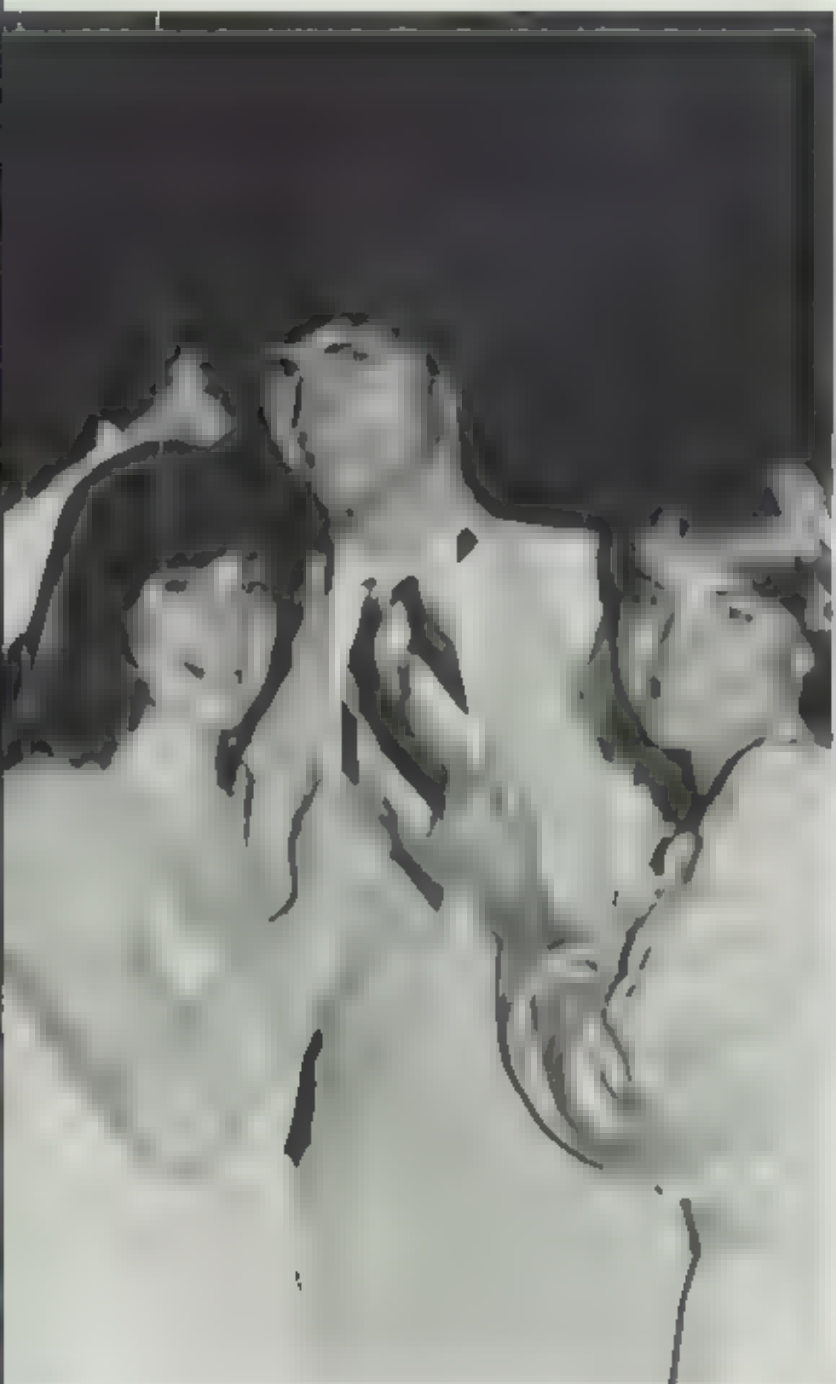

FOR

DADDY

Winter Formal

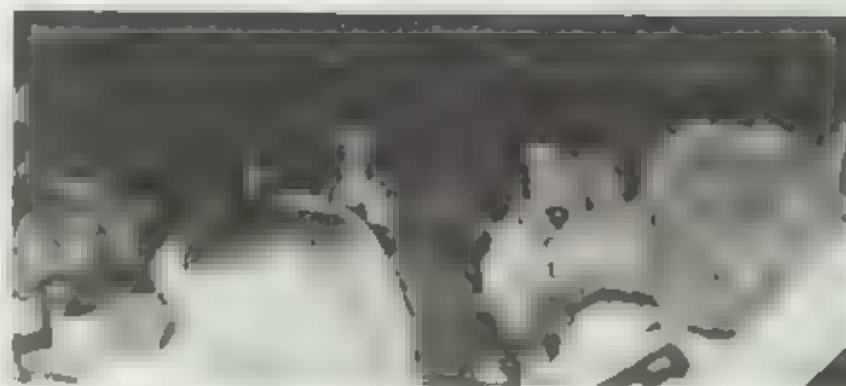

Dreaming of a white Christmas may not have been exactly what was on Terry Wightman's mind as she was introduced to the Winter Formal. This memorable moment was the climax of what proved to be a truly exciting evening. The long-awaited affair took place at the Disney Grand Hotel on Dec. 22, 1980 as couples danced the night away to the music of Rock Dodge.

MOTHER

To most people Friday the 13th brings to mind black cats and bad luck but to show their indifference to this superstition, Rosary's ASB planned "A girls' Night Out." For some Friday night fun, mothers and daughters journeyed to the Sebastian Grand Dinner Play house. After an appetizing meal at the Anaheim theatre, the climax of the evening began. As the lights dimmed and the curtain rose, a quiet hush fell upon mother and daughter awaiting the excellent performance of "Fiddler on the Roof."

DAUGHTER

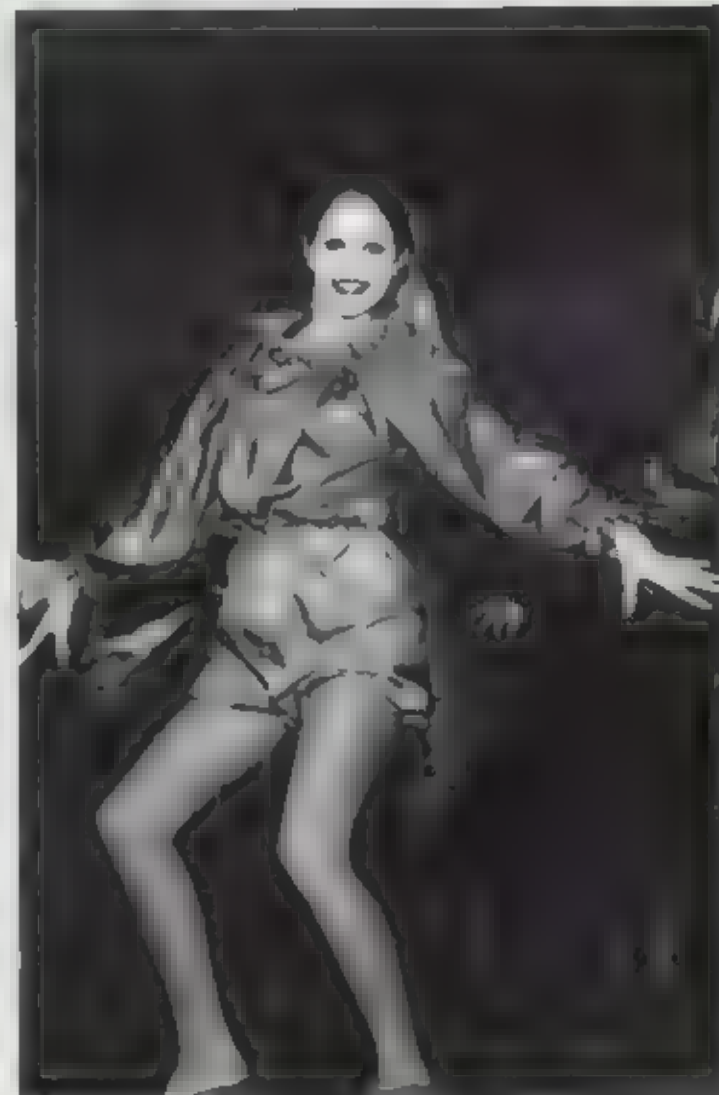

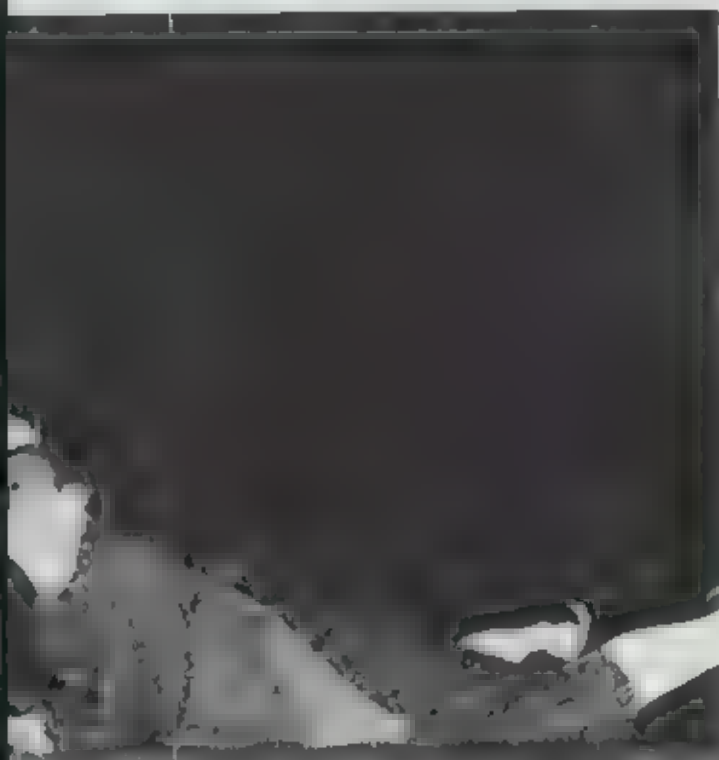

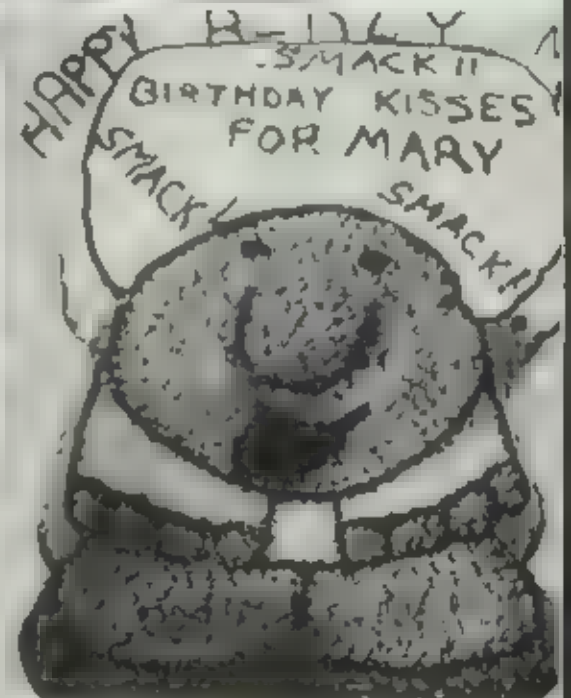

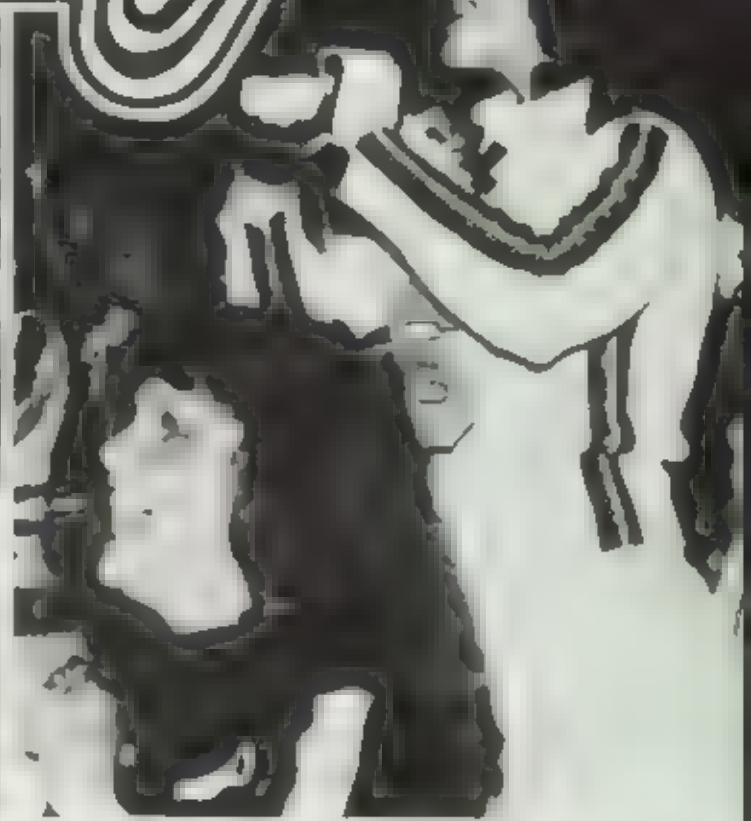

Where can you see dancing spiders, dragons, cards, letters, genies, and flowers all in the same evening? The answer is easy, these were all a part of Rosary's annual Red and Gold competition held at Servite High School on March 13 and 14th. This year's theme, "Could It be Magic," was whimsically carried out by both teams and brought out many hidden talents of each team member.

The Gold team, lead by Kelly Wright and Laura Pascitto, put up a good battle with their mystical play, Misfit Magic. But this year tradition was broken. For the first time in seven years the Red team, lead by Ann Peterson and Eileen McCoy, became victorious with their play, The Orphans and the Magical Attic. Red and Gold was spectacular this year and a delightful evening was had by all.

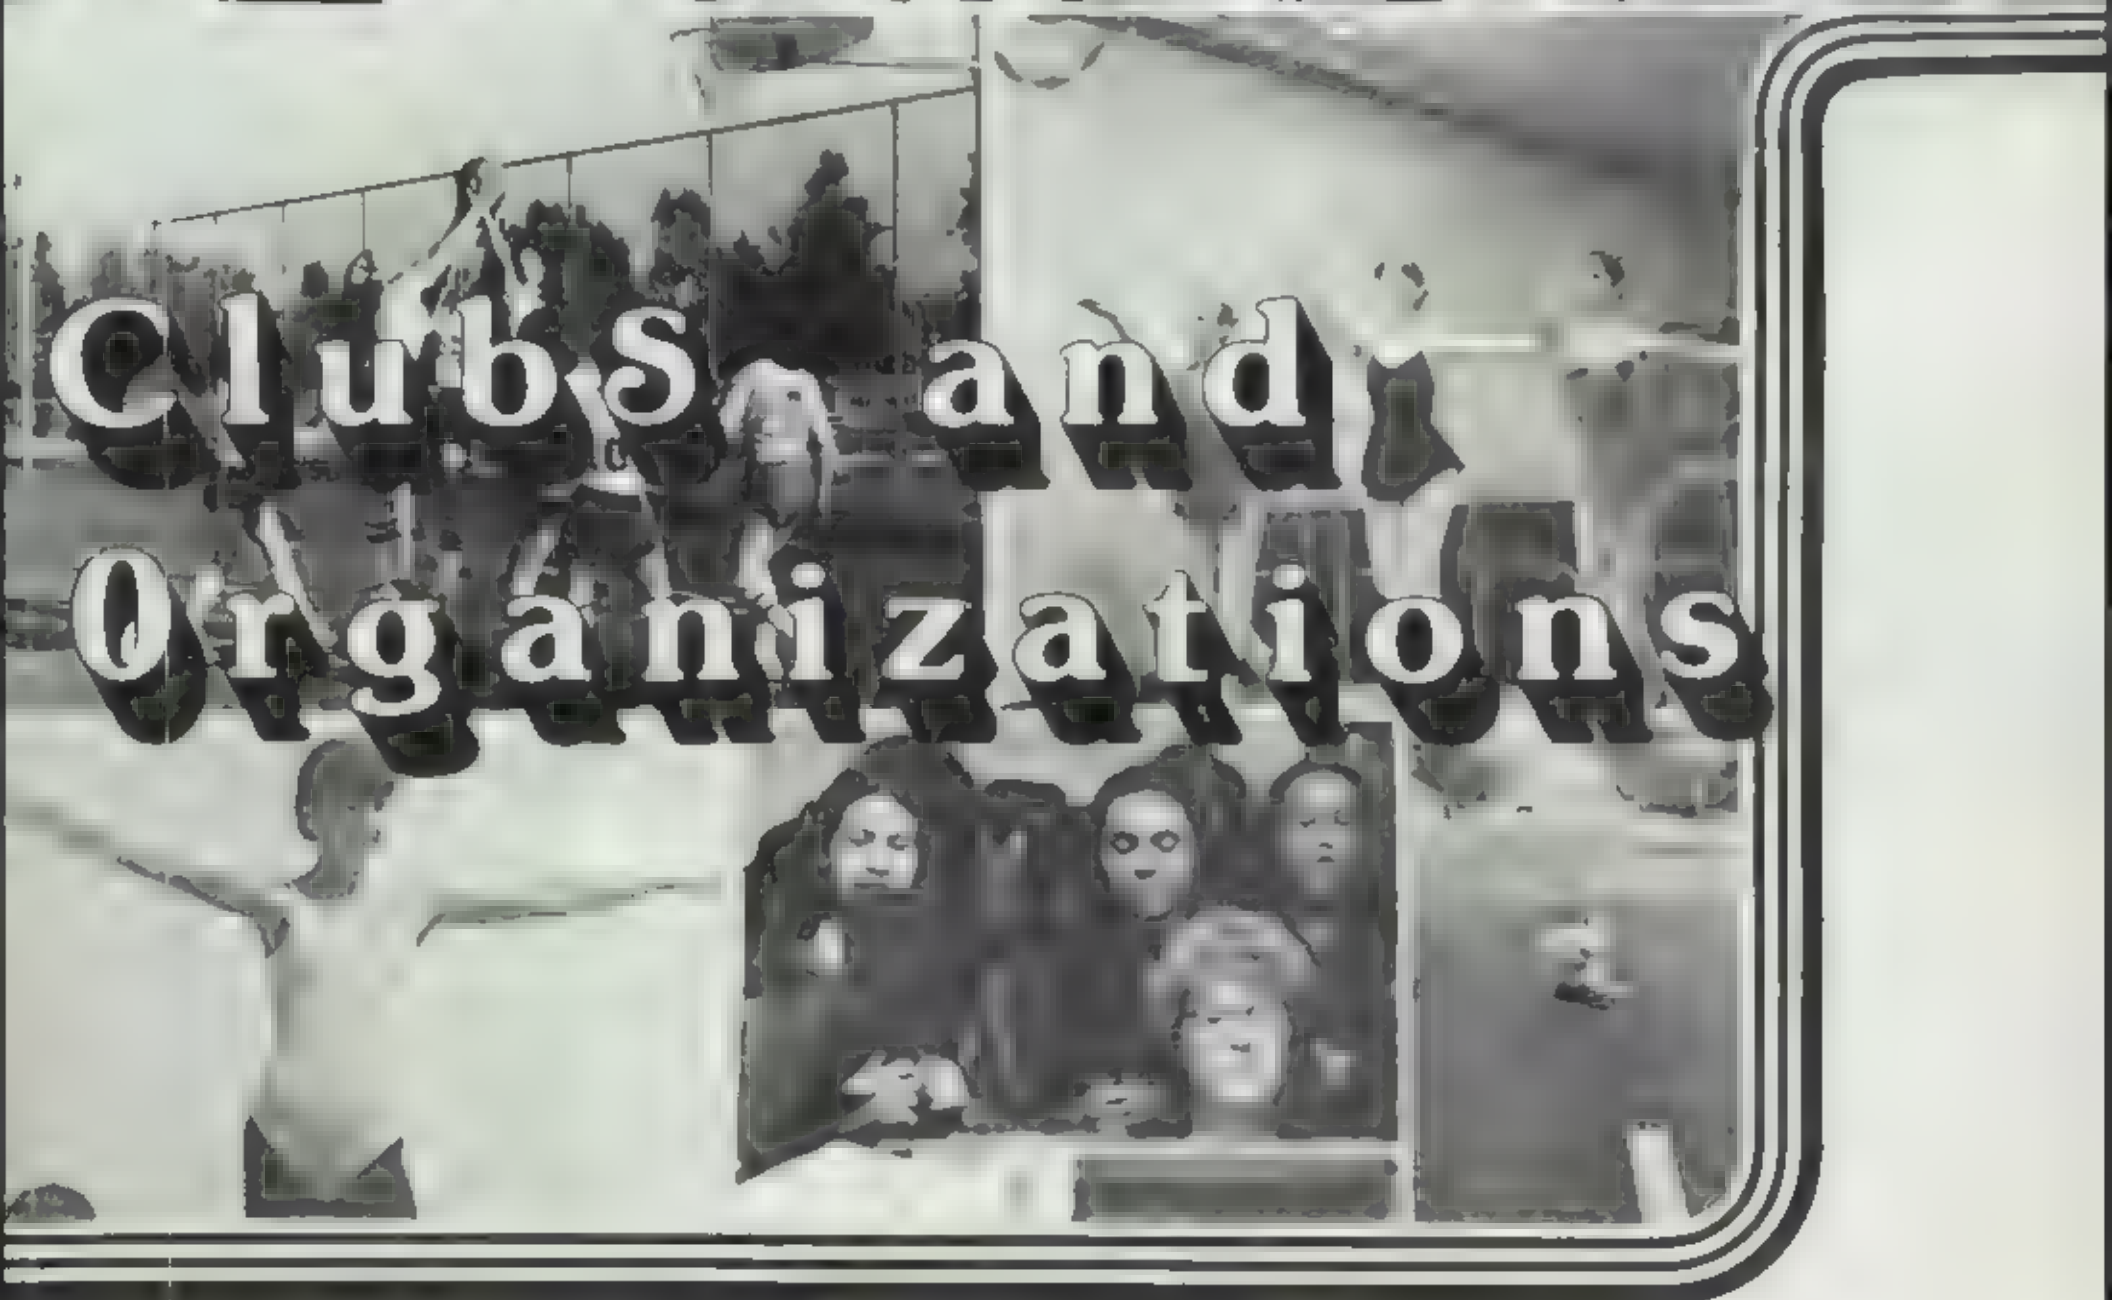

Red and Gold . . . Could It Be Magic?

Volleyball

The 1980-81 Varsity Volleyball team exhibited an utterly exciting performance during this past season. With Ms. Curran coaching, there was no way we could go wrong! There were long hours of hard work and practice but the pride that has been instilled in all of us has made our toil worth it all.

The dynamic Junior varsity Volleyball team has proven themselves once again, to be 'live wired on the court'. During the past season, with the guidance of Miss Elm, Rosary's JV, provided their loyal fans with one exciting spike after another! With the confidence of all, our team walked off the court with their heads held high!

When asked what I thought the word Varsity meant, I was caught "off-guard." But after giving it some thought, I came up with a truly Roquette definition. Varsity — (verb or action word) a Vivacious, Amiable Ready group of girls. With their Sensational talents, this ball club is Ignited on the court. This is Tough competition but each and every member is truly a Young lady at heart. It seems to me like that spells the meaning of our outrageous basketball team

J.V. basketball

If there was a need to describe the JV basketball team in one word, it would be STRATEGIC. Starting the season off with a low profile, they succeeded with a historic victory over Cornish. This triumph brought out JV the chance to start upping up the court once again, and leaving their competitors biting the dust.

Dearest Laurie,

I'm so happy that were friends! You are a very special person. Remember the Awakening Retreats? You ran one, right? I really feel I can tell you so much. You can gossip about so many things (ha ha!) So you're going to Sullivan huh? And you made "dull" huh? Well I wish you the best of luck! I will miss you a lot! So go on just leave me! (just joking) You know what, "I haven't gotten my money back yet." I think I'll just give it up. Well since the bell has rung I better let you get to history. Have a super summer!
